## About Mackay Community Foundation

We are the Mackay region's community foundation – an independent, philanthropic organisation dedicated to supporting projects, activities and charities which assist our region's most needy.

Since our inception in 2002, we have built a capital fund valued at over \$900,000. The income has been used to provide grants worth approximately \$180,000 to 55 community groups and charities in the Mackay region.

On top of that, the existence of the Foundation has led to flow-through funding of \$165,000 in the form of Back to School vouchers as part of the Foundation for Regional and Rural Renewal national program. Mackay Community Foundation also managed the 2008 Mackay Flood Appeal which raised over \$500,000 for those impacted by the natural disaster.

## Honouring the Past – Securing the Future

*Honouring the Past – Securing the Future* is an exciting fundraising initiative from Mackay Community Foundation.

The goal is to significantly build our capital fund and enable Mackay Community Foundation to continue to provide worthwhile community grants to the region's most needy.

By making a donation to Mackay Community Foundation, *Honouring the Past – Securing the Future* project, community members are able to recognise an individual that has made a significant contribution to the region over the past 150 years. The project is open to individuals, families, small businesses, large organisations, service groups, sporting clubs and the like, wishing to support those in need in the Mackay community for generations to come.

All donations are invested in our secure capital fund, providing a perpetual source of income for an annual grants program that supports those in need in the region. Success in this project will mean we all enjoy the benefits of a vibrant, growing community.

*Give where  
you live.*

### A community building project

Mackay is a region rich in community history.

Many individuals and families have had a significant impact on the shape of our city, either through business, agriculture, community or a cultural focus. Similarly, Mackay Community Foundation aims to positively shape the future of our community, by creating a perpetual funding source that will continue to provide for our region.

*Honouring the Past – Securing the Future* provides an opportunity to celebrate our early community while creating a supportive and lasting legacy for the future of Mackay.

Strictly limited to 150 donations of a minimum of \$2000 each, the project will compile a dossier of those recognised, to be housed in the Heritage Collection at the Carmel Daveson Research Room at Mackay Regional Council City Library.

Importantly, all donations will help to build a substantial capital fund for the Mackay community, ensuring those in need are supported, both now and into the future.

**Yes! I would like to be part of the Honouring the Past – Securing the Future project and the long-term future of Mackay.**
